JOIN OUR TOTAL WARRIOR 2018 VOLUNTEER TEAM

Total Warrior volunteers are undoubtedly one of the major assets of the events and are invaluable to ensure everything runs smoothly. Volunteers can help with a wide range of tasks from event set up, to registration and marshalling.

All volunteers receive a **free entry** to a future event*, per day they volunteer. So come down for the weekend, and get entry for you and a mate at a future event*!

*future event refers to any event day taking place after the day you are volunteering
